- **Bike to Work Week:** May 17-21 – Ride your bike to work. It's a wonderful way to get exercise and go green. Log your commute with www.pacommuterservices.org/bike/ and win prizes.

It would be ideal if everyone could ride to work from home, but we recognize that isn't possible due to distance and the difficulty of finding a safe route. Consider taking the bus (they all have bike racks) or driving close to your destination and biking the rest of the way. If you work in Harrisburg, you may want to consider biking from these start points:

Harrisburg: Street parking near William Penn HS

West Shore: Street parking on 2nd Street in Wormleysburg. Use the Harvey Taylor Bridge to cross the river. It has bike pathways on each side.

If you work elsewhere, you might be able to find a park, commuter lot or other public parking area that will work for you.

- **Bike to Work Day:** Fri. May 21 Get your "I Biked to Work Today" badges in Harrisburg at 3rd and North Streets from 7:00 a.m. until 9:00 a.m. and at other locations TBD. Follow Bike Harrisburg on Facebook for details.
